Dear Iris:

This representation letter is provided in connection with your review of the financial statements of Briarpatch Incorporated for the period ended March 31, 2022, and for the purposes of you expressing a conclusion that, based on your review, nothing has come to your attention that causes you to believe that the financial statements do not present fairly, in all material respects, the financial position of Briarpatch Incorporated as at March 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Certain representations in this letter are described as being limited to matters that are material. Misstatements (including omissions) are considered to be material if they, individually or in the aggregate, could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

In making the representations outlined below, we took the time necessary to appropriately inform ourselves on the subject matter through inquiries of entity personnel with relevant knowledge and experience, and, where appropriate, by inspecting supporting documentation.

We confirm, to the best of our knowledge and belief, the following representations made to you during your review:

This includes journal entries, changes to account coding, classification of certain transactions and preparation of, or changes to, certain accounting records. A copy of these adjustments is attached to this letter
- The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements as a whole.
- Management or other appropriate persons (such as those charged with governance) have accepted responsibility for the financial statements, including the related notes.

Information Provided

- We have provided you with:
 - Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation and other matters;
 - Additional information that you have requested from us for the purpose of the review; and
 - Unrestricted access to persons within the entity from whom you determined it necessary to obtain evidence.
- All transactions have been recorded in the accounting records and are reflected in the financial statements.

 - The identity of the entity's related parties and all the related-party relationships and transactions of which we are aware;
